

Early Childhood Family Education

Saint Paul, Minnesota

Online registration begins July 1, 2014 for Fall classes starting September 9, 2014.

Saint Paul Early Childhood Family Education (ECFE) offers parent and early childhood education for families with children between birth and kindergarten age. ECFE is based on the idea that the family provides a child's first and most important learning environment, and parents are a child's first and most significant teachers. ECFE works to strengthen families and enhance the ability of all parents to provide the best possible environment for the healthy growth and development of their children.

To be placed on the waiting list for a scholarship, families can download the application and entry indicators form below and mail them to: SPPN Scholarships, Think Small, 10 Yorkton Court, St Paul MN 55117

If you have questions about the SPPN Scholarship, please call **651-641-6604**

State Early Learning Scholarships

The State Early Learning Scholarships give families financial support up to \$5000 to help pay for high-quality early care and education to prepare their young children for school.

Due to limited resources, Minnesota State Early Learning Scholarships will be distributed on a priority-basis. Priorities include the county in which the family resides, whether the parent is under 21, the early childhood program chosen by the parent and/or whether the child has a previous scholarship. If you have questions, please contact Think Small at please call **651-641-6604 or 855-898-4465 or email scholarships@thinksmall.org**.

For scholarship information available in other languages, call 651-665-0150 or 1-866-807-6021

Early Childhood Screening 651-632-3746

It's important to have children screened at an early age so there is adequate time to obtain help for any identified concerns before the child enters school.

Children are expected to be screened prior to participation in the Pre-Kindergarten Program. State law requires that all children must be screened before starting kindergarten. Screening includes:

- Vision and hearing checks
- Height and weight measurements
- Social/emotional, development, and speech screenings
- Review of immunizations and health information A summary interview

The school district offers this screening at **no cost** to families for children ages 3, 4 or 5 years old.
